

Antinol⁺

Enhanced Daily Joint & Mobility Support

Premium Joint & Mobility Support

Helps support healthy joint function, helping maintain your cat's joint health and mobility.

Research & Science-Backed

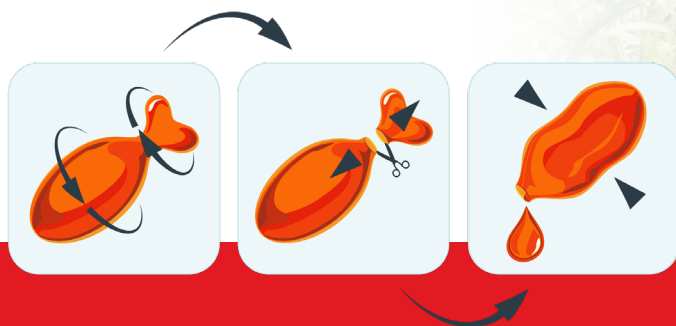

Backed by 40 years of research and over 40 peer-reviewed studies.

Pure, Potent, Proven Ingredients

Made of a unique blend of green-lipped mussel oil from New Zealand and Antarctic krill oil not found in any other product.

Serve it their way

1. Can be consumed whole.
2. Either give cats soft gel whole, or remove tail-end by twisting or snipping and squeeze out soft gel contents at mealtime.

Product Information

Potent Ingredients

**Independently Powerful,
Even Better Together.**

Green-lipped mussel oil and Antarctic krill oil work **synergistically**. When combined, they deliver a powerful one-two punch of **potent antioxidants** and **beneficial fatty acids** in a bioavailable form. These work together to support joint health and mobility.
